MAKE IT FOR MALAYSIA

Kancils Entry Kit 2023
The 2023 KANCILS AWARDS & FESTIVAL OF CREATIVITY

EARLY BIRD DEADLINE: 6 OCT 2023
FINAL DEADLINE: 20 OCT 2023
ELIGIBILITY: 1 OCT 2022 - 16 OCT 2023
JURY CHAIRMAN’S FOREWORD

It’s Kancils time, the biggest annual celebration of Malaysian creativity!
But let’s be honest. We’re in a bit of a rut. Year after year, we sweat buckets trying to create work that we can be proud of and sometimes, we actually pull it off. Our peers send us emojis, LinkedIn gets lit, journos put it on their front pages and the lucky few of us actually win some lusted-after Kancil metal. That’s truly worth celebrating, but all too often, it stops there.

It wasn’t always this way, but it has been this way for too long. Everybody reading this has worked on the recurring festive brief that celebrates our unique diversity - such a unique melting pot of influences, inspirations, curiosity and talent! So why doesn’t the rest of the industry see that? Why does it seem that the only way to ‘make it’ is to go somewhere else? Maybe we don’t have a creativity problem. Maybe it’s a confidence problem, a belief problem. Maybe too many of us confuse ambition for arrogance, maybe we’re not thinking big enough with the potential of our thinking. Because the truth is, great idea are truly borderless - great idea can solve a human problem that anyone, anywhere can relate to. Great ideas are truly borderless.

On the subject of humanity, we have to talk about AI - the most fundamental shift in creativity in our lifetime. We creatives are equal parts excited by the possibilities to make amazing new things and intimidated by the possibilities to make us all becoming irrelevant. Right now, the jury might be out, but this Kancil jury won’t be looking for how technology can replace human creativity. We don’t want examples of using AI to do funky, faster, cheaper versions of what we already do – rather, we want to see its potential in enhancing and enabling new boundaries. We want to see how AI enables us to creatively show new ways of how we see the world, of what Malaysians are made of, that weren’t possible before. It cuts across all disciplines, which is why you’ll see AI represented across all ‘innovation’ subcategories this year.

Another shift is the Direct category – there is no more Direct category. What began as a category to celebrate the best in direct mail to your door, has been updated to become ‘Commerce’. We wanted to better reflect our industry’s ability to use customer insights and technology to drive the bottom line.

The Kancils is a fundamental stepping stone on all of our creative journeys – but it shouldn’t be the only destination. As Malaysia’s #1 creative festival, it’s our mission to reignite the belief in Malaysian creativity again. This year’s awards are not just about recognising and awarding great ideas for Malaysia, but great ideas made in Malaysia that the whole world can admire. Let’s make ‘em jealous, show ‘em what we’re really made of and that we can Make it for Malaysia™

“This is the Kancils 2023 and this time, it only starts here.

CHECKLIST
ELIGIBILITY

So, what work is eligible? Who can enter? Let’s get some of those rules out of the way first.

What is eligible?

• Any work that fits in the categories within this entry kit can be entered.
• All entries made in the context of a normal paying contract with a client are eligible to enter. Exceptions can be made for self-promotion work and work for non-profit organisations.
• For work created for clients, the client must’ve approved and paid for all, or most of, the media and production costs.
• For non-profit work, the work can only be entered in the special “Kancil for Good” subcategory under each category, and/or the Craft Kancils category. The media implementation and production of the work must have been approved by an authorised representative of the non-profit.

International Work

The Kancils is a celebration of the very best in Malaysian creativity. We are the biggest champions of work that crosses borders, but that work has to be proven to originate in Malaysia. If the work does not meet the following key criteria, the jury reserves the right to withdraw it from the festival:
• Idea proven to have originated in Malaysia, not just an adaptation of global work
• Key creatives credited for the work must be based in Malaysia; not just senior creatives, but the working team
• The work cannot have been entered into other local/national award shows (this does not include international shows)
• For foreign collaborations entered into the craft category, the craft in question must be executed by a Malaysian team.

Who is eligible?

• Anyone. We believe that it shouldn’t matter if you’re a 4As Malaysia member agency, a client, a supplier partnering with an agency, or an independent maker or creator. If you’ve had a hand in creating great work, in the spirit of inclusion, you should be eligible to enter.
• Be nice. Credit your partners. During your submission, clearly indicate the role each partner plays – Idea Creator or Production Company – so that we may accurately tally the points for Agency of the Year and Production House of the Year. Both Idea Creator and Production Company get full points (although points are split equally for multiple Idea Creators), so you don’t lose out by crediting your partners. If you are both the production company and idea creator, list yourself twice, as the Idea Creator and Production Company.

When is the eligibility period?

Eligibility period: 1 October 2022 – 16 October 2023

If you have any questions about who or what’s eligible, feel free to reach out to 4As Malaysia.
A WORD ON SCAM WORK

Scam. That dreaded four-letter word. Scam work devalues our local advertising award show. More importantly, it devalues the honest work done by those in our local advertising industry.

We believe this festival should be a celebration of work that influences humanity, not the size of one’s award shelf. While there is never one perfect set of rules to completely eliminate scams, we’ve developed a few guidelines to help:

• Speculative or conceptual work, as well as work that did not legitimately run, are not eligible for entry. No matter how awesome the idea is. Just run it properly and enter next year lah.

• No copycats, no exceptions. That means no copies or clones of other foreign or local work being passed off as legitimate entries.

• Judges may raise concerns with suspected "scams" with the judging panel, or in confidence with the Jury President, 4As Creative Council Chairperson or 4As President.

• During your submission, you’ll be required to provide the name and contact of your client. We reserve the right to verify the entry with the client at any time.

• When a piece of work comes into question, we will request clarification or further information depending on the complaint raised. We reserve the right to request proof of client involvement, media invoices, proof of appearance (tear-sheet, photograph) or other evidence that the entry is legitimate.

Forward proof of appearance to:

If any entry submitted fails to meet the requirements above, the entry shall be rejected, entry fee forfeited and any award won withdrawn and disqualified. The 4As may opt to impose a ban on the disqualified entrant from entering future 4As –Malaysia–run awards on the disqualified entrant, at its discretion. The Jury President’s, 4As Creative Council Chairperson’s and 4As President’s decision is final.
Some more entry conditions to take note of:

For entries that are submitted to The Kancils 2023, proof of publication, transmission and approval as well as proof of payment by the client must be provided when requested. If such proof cannot be provided, or is insufficient, the entry shall be disqualified. The Jury President’s, 4As Creative Council Chairperson’s and 4As President’s decision is final.

The entrant agrees that the 4As will not accept responsibility for errors or omissions reproduced in any exhibition or annual or for work lost or damaged.

Entries accepted for publication in the The Kancils 2023 Website and subsequent materials received will be retained by the 4As for its digital, film and print library.

The entrant grants the 4As permission to show the entries at such times as deemed appropriate.

As for the credits, please ensure that all information is correct. Information that you submit will be taken as final and cannot be amended for any given reason if your entry is a winner.

No Refunds on Entries: Under no circumstances will refunds of any fees or costs relating to Entries or Entry into the Awards be issued to Entrants. The fees paid for Entries are intended to cover the costs of administration, processing and judging of the Entries and Awards.

Incorrect or incomplete entries risk disqualification.

Any disqualified entries will not be refunded. This includes duplicate Entries and Entries that do not follow the specified rules.

All entries must adhere to the various advertising regulations, restrictions and guidelines that are issued by the relevant authorities including but not limited to The Malaysian Code of Advertising Practice (Advertising Standards Malaysia), The Content Code (Communications and Multimedia Content Forum Malaysia) and Government Ministries.

If you’re unclear about any of these rules, you may reach out to 4As Malaysia for clarifications.
JUDGING PANEL

Awarding a great body of work starts with having a great panel. We’re looking to expand on what we’ve done in previous years, with the aim of having a judging panel that’s fair, diverse and rigorous – a judging panel our local industry deserves:

Globally renowned heads: Each main panel will be led by a foreign-based jury member who has won and judged at top regional and/or global shows. This is to provide a global perspective, and to ensure the panel is objectively moderated.

Diverse expertise: The jury is made up of creative leaders from both major network agencies and independent agencies, marketing professionals from the client side, as well as creators from category-relevant disciplines, to allow for more diverse perspectives in the judging room.

Introducing the Preliminary Jury: A wider preliminary jury pool made up of current as well as rising creative leaders from diverse backgrounds will aid the Executive Jury in the first round of shortlisting. This would help us build a shortlist that’s more representative of the industry, while giving future creative leaders exposure to the judging process. Subsequent shortlisting and metal rounds will be conducted by creative leaders in the Executive Jury.

A balanced panel: To make sure that the body of awarded work better reflects our audience and industry, we plan to continue with the previous Kancil Awards’ initiative to have as close to equal gender representation as possible. We also aim to have representation from some of the promising young talent in our industry, particularly in our preliminary jury. Bye bye, old boys’ club.

Independent observers and facilitators: Each panel will be facilitated and observed by 4As Malaysia staff, as well as independent observers.

No voting for your own work: Judges – local or international – will not be allowed to vote for their own work, their network’s entries, as well as work from entrant agencies they were formerly with during the eligibility period.

Anonymous voting: We’ll continue to practise an anonymous silent shortlisting round, as well as anonymous scoring, via an independently monitored electronic judging system.

Discouraging block voting: We will also discourage the practice “block voting” by having the Jury President, 4As Creative Council Chairperson and independent observers monitor voting and deliberations for suspicious voting behaviour.
JUDGING CRITERIA

Idea Categories
For idea categories, the jury will evaluate the strategy, idea, craft and impact of the work.

**Strategy/Relevance**: Is the problem clearly defined, and the solution insightful?
**Idea**: Is the idea inspiring?
**Craft**: Is it brilliantly executed?
**Impact**: Is it impactful?

Craft Categories
For craft categories, the jury will evaluate the strength and originality of the craft, as well as its relevance to the idea and audience.

**Craft**: Is it brilliantly crafted?
**Idea**: How does the craft lift the idea?
**Relevance**: Does the craft help the idea connect with the audience?

The Award Levels
After shortlisting the work via anonymous voting, the jury will vote to award the work based on these levels.

**Merit**: I’m proud to have this represent Malaysian creativity.
**Bronze**: Exceptional example of locally relevant Malaysian creativity. Encouraging.
**Silver**: I am jealous of this idea. Potential for regional award win.
**Gold**: This gives me hope in Malaysian advertising again. Potential for a global win.

In addition, ideas in selected subcategories may also contend for special awards. Do refer to the “Special Awards” section to learn more about these awards.
The Culture Kancils is designed to honour work that is deeply Malaysian – work that has a deeply local insight at its core.

Judges will pay close attention to how a deeply local insight derived from local segments, cultures, values, beliefs and traditions was used to inspire and develop an idea that connects to Malaysians.

Judges will also look at how the work helps to preserve and celebrate our rich local culture. However, the work needs to go beyond just execution (e.g., the mere use of local dialects, wardrobe and talent), and must demonstrate a strong understanding of local culture.

Judging criteria:

- **Cultural Insight**: Does it hinge on a clear, deep cultural insight?
- **Idea**: Is the cultural insight used to elevate the idea?
- **Execution**: Does the execution reflect a deep understanding of the segment/group/culture?
- **Impact**: Does the use of local culture help elicit a stronger response from the audience?
- **Responsibility**: Does it promote the values and heritage of the culture positively and responsibly?

We will be inviting specialists in local insights to sit in on this special judging panel.

You cannot enter the Culture Kancils directly. Instead, you must enter the “Best Use of Cultural Insights” subcategory under the relevant category.

The top ideas under each “Best Use of Cultural Insights” subcategory will then be judged together by a judging panel to determine the winner of the Culture Kancils.

Judges may award multiple Culture Kancils, or none, at their sole discretion.
The Creative Effectiveness Kancils is designed to honour work that uses creativity to deliver business impact.

Judges will pay close attention to how the entry applies creativity to achieve a clear goal. Entrants are highly encouraged to include a clear objective, insight, as well as verifiable results in their entries.

**Criteria for Effectiveness Kancils:**

**Brief:** Is there a clearly identified business problem?

**Strategy:** How did a clear understanding of the segment translate to a brilliant strategy?

**Idea:** Does the idea demonstrate the power impactful creativity?

**Impact:** Does it drive clear, measurable, sustainable results?

We will be inviting client marketers, as well as agency business leads, to sit in on this special judging panel.

You cannot enter the Creative Effectiveness Kancils directly. Instead, you must enter the “Creative Effectiveness” subcategory under the relevant category.

The top ideas under each “Creative Effectiveness” subcategory will then be judged together by a judging panel to determine the winner of the Creative Effectiveness Kancils.

**Judges may award multiple Creative Effectiveness Kancils, or none, at their sole discretion.**
SPECIAL AWARDS: INNOVATION KANCILS

The Innovation Kancils is designed to celebrate innovative breakthroughs in the category.

Judges will be looking for innovation that connects to people in a creative, usable and functional way.

We will be accepting working prototypes in the beta-testing stage. These prototypes should still be approved and paid for by the clients. Ideas still in the conceptual or speculative stage will not be accepted.

You are highly encouraged to provide the jury with a case film demonstrating the final product or working prototype. If the product is app- or web-platform-based, we highly recommend providing access to the prototype or final product. You may also support your entry with user-journey walkthrough videos.

Judging criteria:
Relevance: Is it connected to a real unmet need?

Idea: Is the idea game-changing?

Technique: Is the technology scalable and accessible?

Impact: A potential for impact on the business and consumers?

You cannot enter the Innovation Kancils directly. Instead, you must enter the “Innovation” subcategory under the relevant category.

The top ideas under each “Innovation” subcategory will then be judged together by a judging panel to determine the winner of the Innovation Kancils.

The top innovation winners will be selected by category judges to be present in person. Invited entrants are encouraged to bring working models of the innovation to demonstrate live to the judging panel. Presentation and showcase will be 10 minutes, with 5 minutes of Q&A. The panel will include live audiences.

Judges may award multiple Innovation Kancils, or none, at their sole discretion.
SPECIAL AWARDS: KANCIL FOR GOOD

We’ve created a separate subcategory for all the non-profit and branded CSR work to be judged in each category. This is to ensure a focus on commercial creativity, while ensuring that there’s still a space to celebrate impactful, legitimate creativity for causes.

Judges will be looking for insightful work that leads to sustainable impact to the cause. Both branded CSR work (paid by a client) and work for non-profits/charities may be entered in Kancil for Good subcategories. However, while branded CSR work may still be entered into other subcategories, non-profit/charity work may only be entered into Kancil for Good and Craft Kancil subcategories. Any work for a non-profit (non-branded CSR work) entered into any other subcategories will automatically be disqualified.

Judging criteria for branded CSR work:

**Strategy**: Is the problem clearly defined, and the solution insightful?

**Idea**: Is the idea inspiring?

**Craft**: Is it brilliantly executed?

**Impact**: Does it impact both people and profits?

**Relevance**: Is it relevant to the brand?

We’ll be inviting leaders from social enterprises and NGOs to judge the entries in this special category, to ensure that we reward work with sustainable impact. You cannot enter the Kancil for Good directly. Instead, you must enter the “Kancil for Good” subcategory under the relevant category.

The top ideas under each “Kancil for Good” subcategory will then be judged together by a judging panel to determine the winner of the Kancil for Good.

Judges may either award one Kancil for Good winner, or none at all, at their sole discretion.

Judging criteria for non-profit work:

**Strategy**: Is the problem clearly defined, and the solution insightful?

**Idea**: Is creativity being used as a force for good?

**Craft**: Is it brilliantly executed?

**Impact**: Does it impact the cause?

**Sustainability**: Is it sustainable and scalable?
SPECIAL AWARDS: GOLDEN KANCIL

The Golden Kancil represents the best of the best for the industry in the year that has passed.

You cannot enter the Golden Kancil directly. Instead, you must enter any of the subcategories under The Kancils 2023.

The top ideas (Gold) under each category will then be judged together by a judging panel to determine the winner of the Golden Kancil.

Entries shortlisted under Craft Kancils or Kancil for Good subcategories will not be eligible for the Golden Kancil, unless these entries are also eligible for and won a Gold in the other categories.

There can only be one Golden Kancil winner.
ADVERTISER OF THE YEAR, PRODUCTION HOUSE OF THE YEAR & AGENCY OF THE YEAR

The Advertiser of the Year, Production House of the Year & Agency of the Year will be awarded based on the highest accumulated points scored from all categories.

The Agency of the Year will be awarded to 4As Malaysia member agencies based on points accumulated under the Idea Creator role. Agencies must have submitted work as entrants into The Kancils to be eligible to receive points.

The Production House of the Year will be awarded to companies based on points accumulated under the Production Company role.

The Advertiser of the Year can only be awarded to a client whose awarded works were created in the context of a normal paying contract.

To submit your entries, you must credit the companies playing the “Idea Creator” and “Production Company” roles in every entry for the accurate tabulation of points. Both Idea Creator and Production Company earn full points (although points are split equally for multiple Idea Creators, including foreign Idea Creators). If your company both created and executed the idea without external support, you may list yourself as both “Idea Creator” and “Production Company”.

4As Malaysia reserves the right to amend or include additional Idea Creators and Production Companies, should it find that other companies were significantly involved in the creation of the work but were excluded.

Here are the points awarded to each winning entry:

- **Golden Kancil**: 30 points
- **Kancil for Good**: 20 points
- **Innovation/Culture/Effectiveness Kancils**: 20 points
- **Gold**: 15 points
- **Silver**: 7 points
- **Bronze**: 3 points
- **Merit**: 1 point

Note: If a piece of work wins a Gold, and eventually wins one of the special awards (Golden Kancil, Kancil for Good, Innovation Kancils, Culture Kancils or Effectiveness Kancils), points will be awarded only for the highest award the entry achieved.

For instance, a Gold Kancil winner that becomes a Golden Kancil winner will be awarded **30 points**, not **30 + 15 = 45 points**.
ENTERING CAMPAIGNS

A lot of blood, sweat, tears and Ringgit go into doing a good piece of work. A whole series of work that works beautifully as a campaign? Even harder. We want to give you a space to celebrate all that hard, good work that went into your campaigns. But at the same time, we need to ensure that the campaign entry system isn’t gamed for the sake of racking up points. It’s a balance that’s tough to perfect. But we’ve got to start somewhere. Here’s the system we’ve developed:

What is a campaign?
For The Kancils 2023, a campaign entry is an entry in either an eligible “Campaign” subcategory or under the Craft Kancils that has 3 pieces of work or more.

Single OR campaign. Never both.
A piece of work can only be entered as a single entry, or as part of a campaign. Never both.

Only certain subcategories eligible.
We’ve created separate SINGLE and CAMPAIGN subcategories under each category for subcategories that we feel could be judged either separately or as a campaign. For certain subcategories, e.g., best use of influencers, judges will be looking at the idea as a whole, so separate single entries will not be accepted.

Single or campaign entries under Craft Kancils
For works in a series entered in the Craft Kancils separately as singles, they must be aesthetically different in terms of the craft being judged. Else, a campaign of similar executions must be entered as one campaign. For instance, if you are entering separate pieces under 9.9a TYPOGRAPHY: SINGLE, then the pieces of work must employ executionally different typographic styles and techniques.

Judges’ right to combine entries into campaigns
Following common practices in other award shows globally, judges may, at their discretion, vote to combine single entries that are similar in idea and/or execution, or aesthetically similar in the case of the Craft Kancils, into one campaign entry. Entrants would not receive a refund on the difference in entry fee.
